**GOD'S VIRTUOUS WOMEN
ENTREPRENEURS**

Written by Cynthia G. Boyer

I have created and designed this empowering journal to remind you of the importance of reaching your business goals and seeing your color-filled dreams come to fruition with help from God and His everlasting word.

May you always feel encouraged to bless your brand and business to bring you unlimited success, wealth and prosperity.

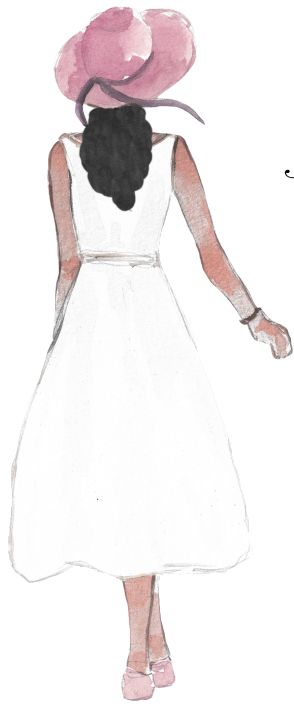

May your empire bless your life and may you bless your empire. May God bless you to accomplish all that is included on your daily-to-do list and as you do it with faith and trust in Him, give God glory for His guidance and instruction.

I am a brilliant and
tremendously
successful
entrepreneur

I am the most phenomenal, remarkable, incredible, brilliant, successful, blessed and thankful entrepreneur ever.

My mind thrives in fields of rich ideas, dreams and visions that come from the heart of God and His Holy Spirit Who empowers and helps me to sustain my remarkable empire. I am forever thankful for His plan and purpose for my life, His love and compassion.

As a flourishing entrepreneur I open my mind to receive those things which God said that I can have from all that I do. I then open my arms to receive those tangible things that the works of my hands bring me when God sends them to me.

I prosper in all that I do because God says so. I give God thanks for open door opportunities today. I shall feel the amazing joy that encompasses every inch and space of my brilliant businesses for they were gifted to me by my loving Heavenly Father. I will use them all for His glory.

My empire is blessed beyond all the things I have ever imagined that I could do or be. I am a light, a luminary. I am a luminary whose light shines into the hearts and lives of those who follow and walk on my path. I thank God for His holy and divine presence that lights my life everyday with His wise counsel and infinite wisdom.

Today and everyday I open my heart to receive greater discernment, an abundance of knowledge and more joy, wisdom and happiness. To God be all the glory and I give Him thanks all the days of my life.
